

DAVE SHAFER'S  
*J*OURNEY TO *P*IBENHAM

With little time left in my rental car, I drive northwest out of Norwich to a few places I did not photograph because of light. Field of sunflowers, a 10th century castle and an Air Museum at Horsham; a former B-24 Base, then a RAF Base.

My driving experience came to a close with no scratches, just frazzled nerves.

Tonight the group of veterans and their families will gather for a welcoming dinner. I look forward to seeing some of the friends I have made in the past reunions.
